We've received a number of inquiries as to the location of the new state forms; "LME Consumer Admission and Discharge Form" and the "Standardized Consumer STR Interview and Registration Form" that is referenced in WHN Communication Bulletin #82. These forms are now posted on the Access and Registration page of our website. Follow the link below and scroll down to the Forms section of the webpage.

Please be aware that the aforementioned forms posted on the Division of DMH/DD/SAS website have several critical areas that are shaded and can not be read when faxed to us. The forms posted at the above link have had this shading removed. Please download this version for submission to WHN so that your information may be processed in an accurate and timely manner.
